

La Chasse

Hunter-gathering for Chefs

La Chasse is a family run speciality food distribution business - our aim is to provide Chefs in the West Country the raw materials they need to cook the dishes on their menus. Yes, we have the foreign funky stuff, which cannot be grown in Britain, but what really excites us is to find fantastic local produce, sometimes grown, reared or produced virtually in your back garden, to offer to our customers.

SUMMARY OF LOCALLY PRODUCED SPECIALITY PRODUCTS
