

La Chasse

Hello Chef,

We've teamed up with REKKI to make placing orders even easier. They provide a free mobile app that makes it fast and simple to order, chat and share information with us.

Our catalogue is on the app so you can order your usual items, and search for any of our other products all in the same place.

REKKI sends your orders to us in an easy to read format, meaning we can process them faster and more efficiently, with less chance of errors.

We have a few customers using REKKI with us already, and we'd love if you gave it a try.

Download REKKI from the App/Play Store and set up your profile in minutes.

Go to www.rekki.com to find the app or reply to this email and we will get you set up!

Give it a try!
