We have worked with La Chasse for a number of years now here at Yeo Valley HQ, we have a great relationship with the team there and at the end of the day it's about the quality of the ingredients that we buy daily from La Chasse that sets them apart.

Have been using La Chasse for a couple of months. Great service always early deliveries. Friendly staff. They use common sense if they are out of a product they send you something similar.

And their range of local products is amazing.

Also they squeeze their oranges for fresh orange juice every day.

La Chasse's commitment to produce is what stands out with them. As chefs we are busy in the kitchen and we need trust to know that our suppliers are working on our behalf.

We are only as good as the produce we use
